We Live, Learn and Grow Together in Jesus

October 25th 2018

Dear Parents,

School Gateway online payments have finally arrived!!!

We are delighted to inform you that we have introduced a new service "School Gateway". This service will enable you to make online payments via the School Gateway smartphone app or website. You will be able to view school meal balances and top them up at any time.

What you need to do now

Download the app: if you have a smartphone, please download the School Gateway app from your App store (Android and i Phone). The app shows the same information as the website PLUS IT SAVES THE SCHOOL MONEY WHEN WE SEND YOU A TEXT MESSAGE, this service is completely free to you.

OR

Visit the website www.schoolgateway.com and click on "New User". You will receive a text message with a PIN NUMBER. Use this PIN to log in to School Gateway. We will notify you by text or e mail when new items are available for payment e.g. School trips and After School Club.

Can't activate your account

If you're having trouble logging in it may be because the school doesn't have your current e mail and mobile phone number on record. The person who you have listed as the first point of contact in an emergency is the e mail and mobile number that we require as all School Gateway information links to our SIMS database.

If you have difficulties please complete the form below and return it to school as soon as possible, we can then double check our data information. Please do not phone school as we are not able to receive confidential data information over the phone.

Please be patient with us as we introduce this system which will be extremely beneficial to everyone when it is up and running successfully. We are relying on your ongoing support. We have been trying to introduce this for many months now.

Yours truly,

R. M. Molyneux
